

**Arad County Centre  
for Resources  
and Educational Assistance**

**Arad, Romania**

# About us

Established in 2007

Auxiliary unit of the pre-university  
teaching system

Our teachers work in public schools

## 83 employees

- 40 school psychologists
- 26 speech and language therapists
- 3 school mediators
- 5 evaluation specialists
- 2 social workers
- 7 administrative staff

# Our mission

Keeping **high standards** of  
psycho-pedagogical assistance

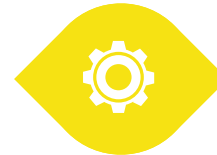

Providing a **positive climate**  
for learning and personal improvement.

Ensuring an **European dimension**  
for education

**Permanent development**  
of the material base

Inclusion by offering **equal chances**  
to all students

# Our Services

01

## School counseling and career guidance

We provide counseling for students, parents and teachers. Our school psychologists work individually or in groups with their beneficiaries.

02

## Speech and language therapy

A network of 27 SLT centers ensures coverage of almost entire primary and preprimary student population of Arad County.

03

## Mediation services for schools

Conflict mediation between the actors of the educational process. (students, teachers, parents, school management)

04

## SEN Assessment and school orientation

A team of 5 specialists assess psycho-educational level of children and makes recommendations about their school orientation

# Our beneficiaries

## Urban & Rural

Our specialists work in the municipality and also the rural areas of Arad County.

## All educational levels

Children, students, youth of all ages, from pre-primary to high-school.

## Teachers and school managers

We offer counseling, training and permanent support for improving teaching skills or managing special situations.

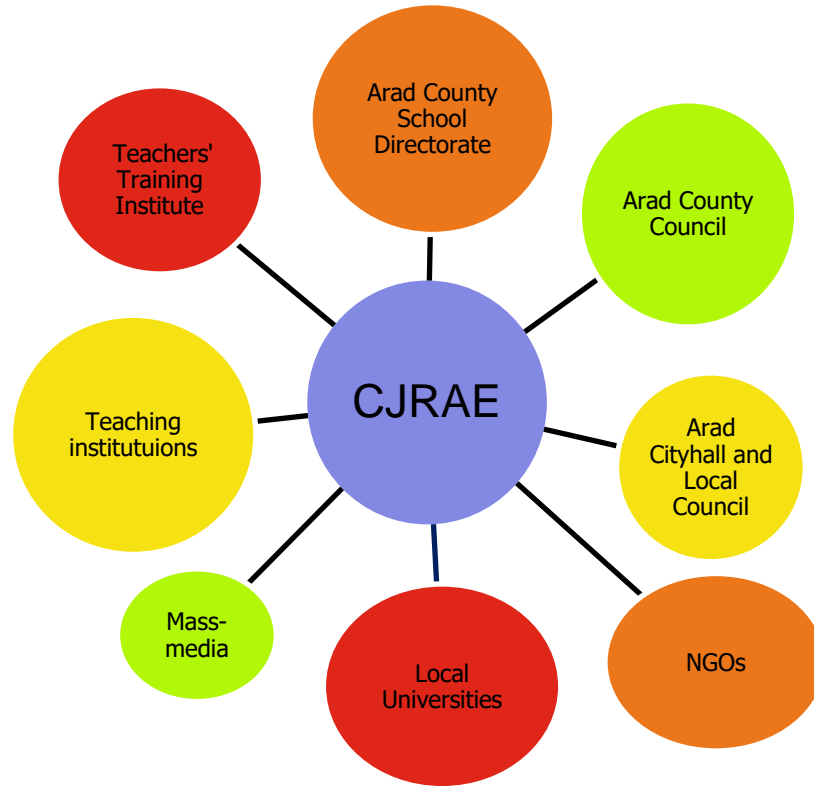

## Parents

We provide counseling and mediation to parents, on a variety of topics.

# Network

## International conference

Reaching its second edition, our conference „Ensuring equal opportunities through educational management and psycho-pedagogical assistance in European context” gathers education specialists from Romania and Europe to share tools and good practices.

## Activity portfolio

### Writing, during the time axis

An extracurricular activity that became a yearly staple of our portfolio and engages over 300 4th graders each year in exploring the history of writing and communication.

## Tea with the speech therapist

This activity has the purpose to promote the profession of SLT among university students, demonstrating practical activities and explaining the daily job of a speech therapist.

# Activity portfolio

## Summer school

Non formal learning activities for school children, with focus on personal management, aommunication and social skills, art therapy activities.

# Projects

## Erasmus+ KA1 mobilities

Youth mobilities, teacher mobilities in the field of school and adult education

## Erasmus+ KA2 Strategic Partnerships

Partnerships in all fields

## EEA Grants

Dedicated actions and calls

## POCU Projects

Nationally implemented structured funds.
